

Proceedings of the Etce / Omae 2000 Joint Conference: Energy for the New Millennium: Etce (Parts A and B) Vol 1

This title contains the proceedings of the ETCE/OMAE 2000 Joint Conference, Energy for the new millennium, February 14-17, 2000 New Orleans, Louisiana. It features a compilation on a single portable medium of 369 full-length, peer-reviewed technical papers presented at the following concurrent symposia: ETCE 2000 Drilling Technology; Energy Resources Technology; Pipeline Technology (Oil and Gas); Production Technology (Oil and Gas); OMAE 2000 Offshore Technology and Ocean Space Utilization Materials Safety, and Reliability Pipeline Technology Arctic and Polar Technology. These proceedings on CD-ROM have been created using Adobe Acrobat Reader 4.0 with Search, which allows the user the opportunity to view, search, download, and print information electronically generated and produced in PDF format. It features a full and fielded searching. Color graphics are included.
