

Temptation (Avon Red)

A deliciously steamy novel from one of the hottest stars in historical erotica, Leda Swann's *Temptation* continues the sensuous saga of the Clemens family, whose boudoir exploits were previously recounted in *Mistress*, *Captive*, and *The Price of Desire*. An author who continues to enjoy serious buzz on the popular *Elloras Cave*, Swann once again takes romance to blistering new heights in this titillating tale of a proper miss whose pen pal correspondences with a sexy soldier get progressively more explicit, leading them both into shocking and scandalous *Temptation*.
