

Twisted Darkness & Lies (Family Affairs Book 1)

Twenty eight year old Janelle Watkins is a smart and sexy dance instructor with a terrible secret that has led her on a path of destruction from childhood. Nineteen years after her rape and kidnapping of her baby, Janelle embarks on many affairs with men and is incapable of feeling real love. She puts her all in a relationship with a man she believes is the one, but has a problem with commitment and is continuously unfaithful. She struggles with her alcohol and drug addiction to numb her pain. After her accidental drug overdose, Janelle is determined to turn her life around. After several conflicts with her students and the break up of her 6-year relationship, she lets go of every lover except one, and begins to realize that the love she thought she was incapable of achieving was there all along with this one man. Thinking her life is getting back on track she comes face to face with her rapist and finds out the identity of her long lost child. Feeling that she has her happily ever after, Janelle starts her new life, but another secret from her past threatens to destroy her newfound happiness. Can she save her life and family or does she once again entangle herself in her own twisted darkness and lies.
