Michael Bradley is the bestselling author of more than 20 critically acclaimed books and a Holy Grail expert who served as a researcher for Da Vinci Code and National Treasure movies. His first 2 novels sold half-a-million copies. Then came the release of *The Magdalene Mandala*, paired by Amazon with *Swords at Sunset*, the author's non-fiction book employing archeological evidence to trace the Grail to North America. *The Magdalene Mandala* marked the first of the author's Marc Rennsalaer Adventure Mystery series of Holy Grail novels that are captivating a growing audience. Now, there's *Scripture*, the second Rennsalaer adventure in a series critics have likened to James Bond meets *The Da Vinci Code*. This title is supported by a comprehensive marketing program and is already drawing motion picture production rights interest.
