

Redwood

Redwood is a gripping true story of a once successful and popular Baltimore restaurant known for its great cuisine, vivacious musical entertainment, radiant atmosphere and memorable A-List celebrity events. From the beginning, the three young entrepreneurs worked tirelessly to make this restaurant the pinnacle dining experience. The story takes many twists and turns, leading them through a maze of challenges along the way. However, the conflict intensifies when the young men later discover the unthinkable---that all along a serial killer was in their midst. The journey is riveted with humor, intrigue, mystery, conflict, sex, drama and many takeaways for future entrepreneurs. Just as the dust seemed to settle, the owners were introduced to a charming and charismatic con-artist who wanted it all---and attempted to take it all.
