

Stolen from Gypsies

Stolen from Gypsies, Noble Smith's outrageously hilarious first novel, involves a stolen Gypsy baby, a tongue-tied accountant, a rich merchant, the merchant's ravishing daughter, magicians, spells, contracts in blood, pirates, transformations, Dim Avengers, doppelgangers, demons, duels, dicksocks, angels, carnal temptations, imprisonment and redemption. If this sounds like Shakespeare meets Monty Python, you are not too far off. A comedic adventure set in the early nineteenth century, this historical comedy that is as absurd and enjoyable as Monty Python's *The Holy Grail* and *Goldmann's The Princess Bride*. The characters leap off the page in full costume.
