Everyone Has Their Secrets. Whats Yours? 2 Bonus Books Included! Heres just a sample of what youre in for: I slowly moved my breasts up to his neck as I straddled his hurt back. My hands began to make their way down his chest. I let out a gasp as a gripped his large, firm pecs for the first time. He arched his head back between my breasts. I moaned as he looked over his shoulder at me. His strong gaze and chiseled jaw was too much. I leaned over and kissed him. As if he had wanted the exact same thing, he began passionately kissing me back. He rolled over while continuing to kiss me. His strong hands had a grip on my neck and pulled me down on top of him. I could feel his hard cock press against me as we continued to make out. I let out a moan and pulled back as he stared at me. Slipping my lingerie top down, my breasts made their way to him. He moaned as he roughly grabbed them and put his mouth on my nipple. My breathing had picked up and I was grinding my hips on his engulfed manhood.
