

First Feline Church (Dramatic Duets)

When it comes to making them laugh or making a point, it doesn't have to be either-or. Sometimes humorously, often seriously, this duet piece examines and explores what it means to live a life of faith. It's a serious moral wrapped inside a slightly silly sense of humor. This duet examines Cat and Dog theology and the church. If you feed a dog, it thinks you're God. If you feed a cat, it thinks it's God. We can have the same sense of entitlement in our Christian lives, and taken to extremes, it's not a pretty sight. This piece is part of the full script collection: Dramatic Duets
