

The Merrigale Mystery: Danvers Damsels - 14 (The Danvers Damsels Mystery series Book 13)

A one of a kind vintage car is used by a film company but crashes during filming. The leading man is killed and five co-stars are injured. The owner of the car is charged with faulty maintenance but it could be the investors, or the leading mans wife, or lesser stars wanting to improve their standing. In all twelve people could have a motive. The owner and his team of warriors investigate after they establish the car was intentionally sabotaged.
