

## The Collected Works of G. K. Chesterton, Vol. 10: Collected Poetry, Part 2

The long-awaited second volume of Chesterton's collected poetry is now here. Edited by Denis J. Conlon, this book picks up where the last volume left off, continuing the complete collection of the great Christian writer's verse with all poems, both published and uncollected, until 1900. A third volume covering 1901-1936 is forthcoming. Illustrated with Chesterton's own sketches, and including poems written when he was a child, this fascinating collection is an essential addition to any Chestertonian's library. Includes *Greybeards at Play* and *Clerihews*. With an index of first lines, titles, and refrains.
