

The Eye of Zeitoon

Shall I speak of Zeitoon? This, then: the Turks never conquered it! They came once and built a fort on the opposite mountainside, with guns to overawe us all. We took their fort by storm! We threw their cannon down a thousand feet into the bed of the torrent, and there they lie today! We took prisoner as many of their Arab zaptiehs as still were living -- It takes better than Osmanli to conquer the men of Zeitoon! (Jacketless library hardcover.)
