

The Selected Poems of Miguel Hernandez: A Bilingual Edition

In the Spanish-speaking world, Miguel Hernandez is regarded as one of the most important poets of the twentieth century—equal in distinction to Federico Garcia Lorca, Pablo Neruda, and Octavio Paz. He has never received his just acclaim, however, in the English-speaking world, a victim of the artistic oppression exercised during the period of Francisco Franco's totalitarian regime. Determined to silence the writer Neruda fondly referred to as his wonderful boy, Franco sentenced Hernandez to death, citing as his crime only that he was poet and soldier to the mother country. Despite the fact that complete and accurate versions of his work were difficult to obtain even in Spanish for nearly fifty years, Hernandez went on to achieve legendary status. Now, for the first time, Ted Genoways makes Hernandez's extraordinary oeuvre available in an authoritative bilingual edition. Featuring some of the most tender and vigorous poetry on war, death, and social injustice written in the past century, nearly half of the poems in this volume appear in English for the first time, making it the most comprehensive bilingual collection of Hernandez's work available. Arranged chronologically, *The Selected Poems of Miguel Hernandez* presents Hernandez's remarkable emotional range as well as his stylistic evolution from the Romantic shepherd poet to poet of the prison cell. Thorough annotations and introductory essays illuminate the biographical basis for many of Hernandez's poems, while a foreword by Robert Bly and an afterword by Octavio Paz provide a striking frame for the work of this essential poet. What a victory it is to watch springing forth from our murky thicket of half-commercialized poetry the silver boar of Hernandez's words—to see the world of paper part so as to allow the language tusks and shoulders to emerge, shining, pressed forward by his genius. This generous selection of Miguel

Hernandez's work, arranged, shepherded, and largely translated by Ted Genoways, is an immense gift for which all of us should be grateful. --from the Foreword by Robert Bly To gather Hernandez's poetry in such a large volume is to bring one of the 20th century's most important poets to life again. Without Hernandez, the world community of poetry would not be what it is today. The Selected Poems must be read if vital poetry is to continue another 100 years, with Hernandez's voice as a cherished example of why great poetry is timeless. --Ray Gonzalez, *Bloomsbury Review* As Philip Levine writes in *The Kenyon Review*, Hernandez is one of the great talents of the century, and this collection is a good place to discover (or rediscover) his moving verses. --Virginia Quarterly Review Vivid, often volatile imagery describes wrenching emotions and events in *The Selected Poems of Miguel Hernandez: A Bilingual Edition*. . . . Raw, passionate, despairing and celebratory, these poems are a true discovery. --Publishers Weekly Arranged in three chronological sections, the poems presented are not the complete works, but they are a large and representative sampling of the best. This is certainly the most comprehensive bilingual edition of Hernandez's poetry available. In addition to the poems, the editor includes eight illustrations, important prefatory materials, and a short list of references, and an epilogue by Octavio Paz. --Choice
