

The Warlock (Black Samurai Book 6)

When a voodoo priest bewitches Sands beloved, the samurai goes on the warpathBlack magic orgies. Human sacrifices. Necrophilia. These are just a few of Augustus Janicots special skills. This charismatic sadist has built a formidable following, convincing politicians across Europe that his voodoo ritual can win them office. When they consent to his bloody rites, he films them, and uses the footage for blackmail. On the verge of obtaining unlimited power, the Warlock is about to make a fatal mistake.Janicots next target is in Vietnam, and for Robert Sand, this is too close to home. An American trained in the ways of the samurai, Sand fears for the safety of Toki Jakata, the granddaughter of his late samurai master and the only woman he has ever loved. Sand has never been able to win Tokis heart, but he will do anything to keep Janicot from pulling it out of her chest.
