

Hear O Lord: Poems From The Disturbances Of 2000-2009

Hear O Lord is the first Hebrew-English collection of poems from the gifted, young Israeli poet, Eliaz Cohen. Cohen is a leading figure in the contemporary renaissance of religious poetry in Israel. His work confronts primary theological, psychological and political issues of Jewish existence, and expresses an enormous emotional range, from anger and despair over suffering past and present, to sensual love for the Land of Israel, his wife and children, and empathy for the people of Israel and Palestine. Hear O Lord is a collection of transcendent poems, drawn from Cohens most recent work.
