

# Your Father Walks Like A Crab: Poetry For People Who Hate Poetry

A lot of people hate poetry because of its usually obscure language. Your Father Walks Like A Crab, however contains poetry stripped of conformity and with a motive to portray poetry as enjoyable, especially to those people who do not normally read poetry. It is fresh, vivid, whimsical, somewhat cheeky and sprinkled with wit and humour. It is about relationships: familial, platonic or romantic, and also general day to day experiences and observations of the poet. In a good way, this book contains the kind of poetry that you most likely haven't read before.
